

Music Student Goal Sheet

Dear Student,

Please use this **Goal Sheet Form** to keep track of your goals. Fill this form out the first week of every calendar month. If you don't know what your goals are, you may ask me for suggestions. Goals may change every month or may stay the same. They are yours—unique to you. This form is meant to show YOU how you are improving each month. With regular practice, you can achieve even your BIGGEST goals!

You may either print this form and fill it out, fill out the PDF digitally, write your goals in a notebook, or submit the online form via the website. PDF and online form available at <https://www.perennialmusicandarts.com/student-resources>.

“Our goals can only be reached through a vehicle of a plan, in which we must fervently believe, and upon which we must vigorously act. There is no other route to success.” —Pablo Picasso
